TOUCHSTONES

*In Los Angeles, Baldwin Hill Reservoir cracked, then broke releasing a torrent which wrecked hundreds of evacuated homes, but produced few casualties.*

*Sandy Koufax won two as the Los Angeles Dodgers beat the Yankees four straight for the world championship. At year's end, Koufax was named the league's Most Valuable Player. Right: James Whittaker of Redmond, Washington, became the first American to reach the top of Mt. Everest.*

## National Events

*Quints were born in Aberdeen, S. D., and in Venezuela in the same week. Here two of the American quints pose for pictures before going home.*

*Leaking gas exploded during the finale of an ice show in Indianapolis, killing and injuring many others.*

*Ransomed for \$240,000, Frank Sinatra, Jr. returned home safely two days after being kidnaped and posed with his sister Tina, left, and his mother, Mrs. Nancy Sinatra.*

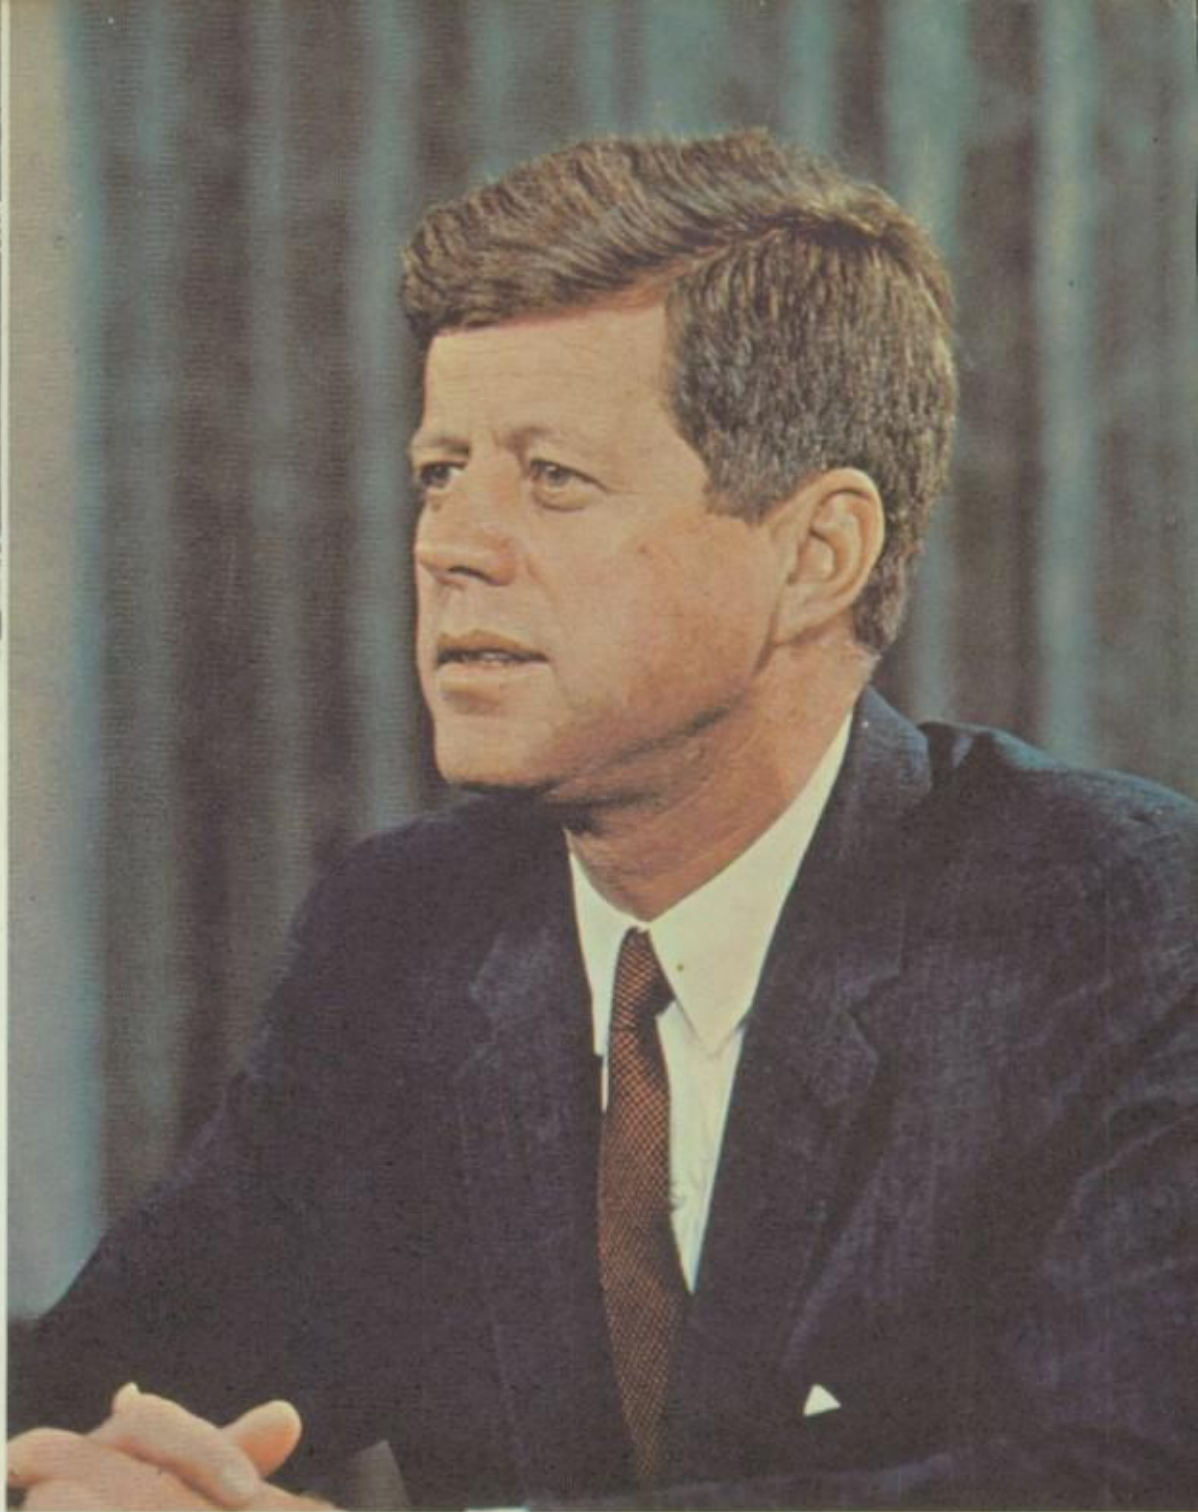

*Lyndon B. Johnson of Texas took office immediately following President Kennedy's death and affirmed his intention of continuing the foreign and domestic policies of his predecessor.*

*Accused slayer of President Kennedy, Lee Oswald, was shot fatally before national TV audience. Right: Mrs. Jacqueline Kennedy, Caroline and John, leave Washington for Christmas in Florida.*

*With the assassination of John F. Kennedy of Massachusetts, youngest president in U.S. history, the country lost a highly-regarded and remarkably capable statesman and administrator.*

*President DeGaulle of France, saluting, stands with German Chancellor Erhard, right, and President Lübke, as some heads of state gathered in tribute to the late President Kennedy.*

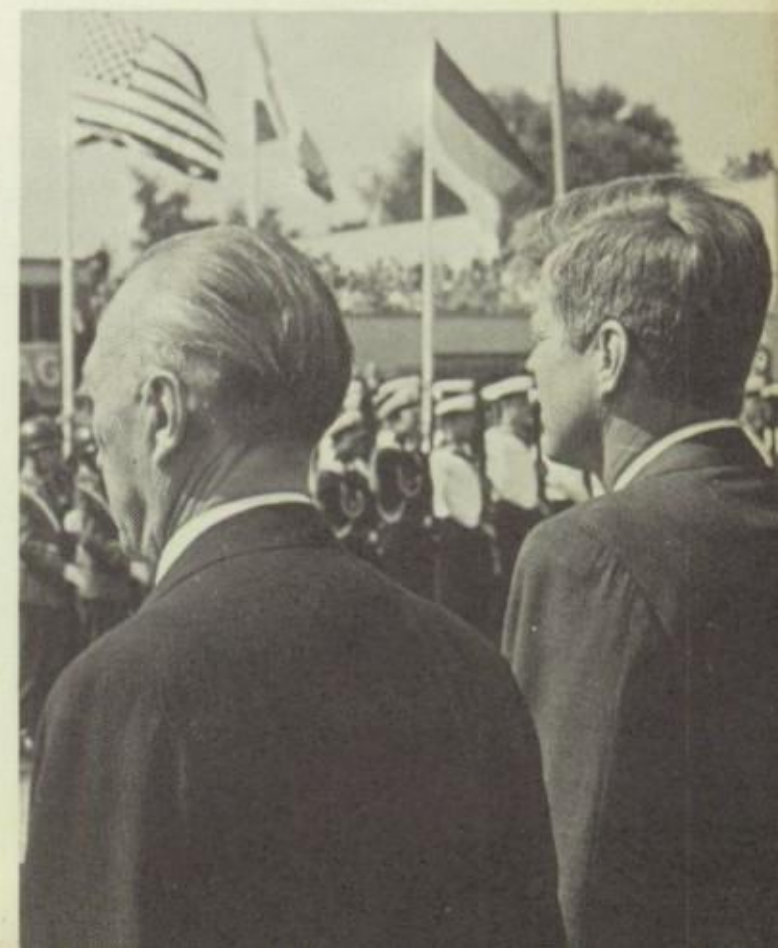

*President Kennedy, and soon-to-be-retired, German Chancellor Adenauer met in Bonn during Kennedy's successful ten-day tour of Western Europe.*

*President Kennedy and then Vice-President Johnson (second from right) met with leaders of the August "March on Washington" dramatizing the nation's leading domestic issue in 1963.*

*Major Gordon Cooper received the Distinguished Service Medal from President Kennedy at the White House in May, following Cooper's 22 orbit flight and manually controlled re-entry.*
